<i>Agenda/Discussion Items</i>	<i>Person Reporting</i>	<i>Discussion</i>	
Welcome	Paul Murphy	Welcome and introductions were made.	
CSA Operations	Paul Murphy	<p>Paul provided an overview the CSA activities. For those who prefer to view the slides, please skip this section and visit <a href="http://www.coloradostroke.org">www.coloradostroke.org</a>. October 2010 CSA update.</p> <p>Operations: Site visits are in progress. 1 visit per year per hospital. During site visit the trend reports are reviewed, GWTG payment is delivered, update on CSA provided.</p> <p>Letter of Intent: CSA has a LOI for participating hospitals extending participation to June 2011. Payments are in progress.</p> <p>Hospital status: There are 38 hospitals are participating. More than 17,000 cases have been entered into GWTG-Stroke for Colorado.</p> <p>Budget/grant updates: CSA grant is for July 2010-June 2011, grant amount of \$149,000. It is anticipated that new CSA GWTG-Stroke payments will be: CAH=\$525, Basic/JC=\$725, site visits, 2 trend report printings, and CSA business meetings will be included.</p> <p>Publication: CSA has edited JNN manuscript and resubmitted to JNN for review. Dr Cumbler's in-hospital manuscript has been accepted by Stroke for publication. Publication date pending.</p> <p>CCPD Q1 progress report due October 15, 2010 – this has been submitted.</p> <p>Mentor meetings: Occur on the 3<sup>rd</sup> Friday of every-other month following CSA business meetings, 915 – 1015 am. The CSA rural mentor meeting will occur on the same 3<sup>rd</sup> Friday, from 1015 – 1045 AM.</p>	
Strategic planning	Pam Elser	<p>Transition overview: Paul Murphy's last date with CSA is October 15, 2010. An interim director has been identified to continue CSA scope of work/goals/objectives for October 2010-June 2011. If funding is available for July2011-June2012 CSA anticipates applying. If funding is secured for July2011-June2012, a permanent Director will be secured.</p> <p>Scott Nelson has been identified as an interim director for CSA. Scott will continue CSA operations with limited</p>
